07/30/04		

- Description: ISEAs are concerned that CDMs change information transmitted in work files without ISEA concurrence.
- Status -
  - a) Technical recommendation to IT group for feed back for changes to ISEA transmitted records.
  - b) Draft policy statement that CDMs must report changes made to ISEA records.
  - c) Replication Enhancement and Triple RIN may correct deficiency. (WORKING)

## Roles and Responsibilities

Action Item#- NEW

Action Source	CDM/ISEA GRP	Date Due
07/08/04		

- **Recommendation:**

Mission Criticality Code (MCC) field, currently a CDM responsibility, recommends the process be changed as follows:

ISEA/Technical Authority will be required to populate MCC level, CDM may concur or override.
